

AFFORDABLE LIVING IN THE CBD

Australia's first vertical village, Lumiere Residences, in Sydney's midtown, has just reached completion. Developed by Frasers Property as part of the \$600 million Regent Place development, the building was designed by UK-based architects Foster + Partners. Lumiere is a cluster of eight transparent buildings attached to a central core. Apartments have few common walls to maximise privacy. The building features a leisure and fitness centre that includes a 50m indoor/outdoor heated swimming pool. Prices start from \$405,000 for a studio, \$515,000 for a one-bedroom, \$765,000 for a two-bedroom, and \$1.7 million for a three-bedroom apartment. ■
